PREGNANCY CARE CENTERS AND MATERNITY HOMES

ANNUAL REPORT  
2022

Together  
we are  
saving  
lives

Dear Friends of life:

What an extraordinary year 2022 was!

Dobbs v. Jackson Women's Health Organization. We all know the transformative effect of that decision and the virtual torrent of state laws that have been adopted across the country to protect innocent human life. We praise God for that!

But Illinois is a tragically different story. Here there is one legislative measure after another to expand abortion on demand during all nine months, to make abortion free and "easy." For example, did you know that out-of-state abortion practitioners can now get a "temporary" two-year Illinois medical license for \$75.00? A regular fee in Illinois for a physician's license is \$500. The challenges in Illinois are immense.

We often say that Aid for Women aims to bring light amidst the darkness. That is precisely what our staff and volunteers do. Each and every one of them was a bright light for the five thousand women helped at our pregnancy centers and maternity homes throughout 2022.

How did they help? In every way possible, from extending the hand of friendship that no one else will to the woman who's nervous, scared, abandoned -- to rescuing the runaway or the pregnant woman who is being trafficked. Every Aid for Women client receives individualized support and care.

I could not be prouder of the passion, courage, professionalism, and creativity of Aid for Women's staff.

What are the keys to Aid for Women's success?

The grace of Almighty God, the power of prayer, respect for the dignity of every woman who calls or comes through the door, and the financial and material support provided by our donors. There is a lengthy list of donors in this 2022 Annual Report. We are grateful for every one of you.

Please know that your support has saved many lives! May God continue to abundantly bless you for your generosity during the coming year.

Please keep us in your prayers as we remember your intentions in ours.

For Life,

*Susan*

# OUR MISSION

Founded in 1978 on the faith and teachings of the Catholic Church, Aid for Women helps thousands of women each year in the Chicago metropolitan area who find themselves facing unexpected pregnancies. Each woman is provided with the emotional, practical and spiritual support that she needs to choose life for her unborn baby and to provide a better future for herself and her child.

## ON THE ABORTION FRONT LINE

Chicago's abortion rate continues to be one of the highest in our nation with one out of four pregnancies ending in abortion. According to the latest statistics from the Illinois Department of Public Health, approximately 23,200 babies are aborted in the Chicago metropolitan area each year. That's 446 babies each week or 64 babies each day killed by abortion in our community.

Aid for Women's pregnancy centers are on the front line of the abortion battle — from our Downtown center at “ground zero” in the Chicago Loop to our satellite centers in suburban Cicero, Flossmoor, Waukegan and Wheeling. The breadth of our presence and the scope of our services give Aid for Women the unique opportunity to reach more at-risk women than any other life-affirming pregnancy help organization in the Chicago metropolitan area.

Our staff, volunteers and donors remain undaunted in the face of evil. We are committed to expanding our work in Chicago to reach more women than ever, providing them with alternatives to abortion and with the real help necessary to enable them to choose life. We know that it is critical for Aid for Women to remain open to continue serving as a safe, life-saving refuge for women and their unborn babies.

**Aid for Women expresses deepest gratitude to our donors and volunteers for your continued prayers and generous support. Without you, we would not have the needed resources to serve the women who come to us for help during these most challenging of times.**

# PARISH ACTION PLAN

Aid for Women offers a Parish Action Plan, under the USCCB's Walking with Moms program, that allows parishes to support Aid for Women's pregnancy care centers and maternity homes.

## Host a Baby Shower or Diaper Drive

Aid for Women will provide a list of needed items, and parishioners can bring the items to church or order the items on our online gift registry.

## Host a Fundraiser

Operating five pregnancy clinics and two maternity homes requires substantial financial resources. Your parish can help by hosting a baby bottle drive, second collection or becoming a sponsor at our annual benefit dinner.

## Host a Gift Card Drive

Donated gift cards allow us to purchase basic items for our moms such as cribs, strollers and car seats.

## Pray with Us

Pray for our moms or come join us in the celebration of Mass or a holy hour at any of our five locations where the Blessed Sacrament is reserved.

## Host a Food Drive

Help stock the pantries at Heather's House and Monica's House by providing food items and paper products.

## Print Pregnancy Resources in Your Bulletin

Commit to printing pregnancy resource information in your bulletin every weekend.

## Become a Mom Mentor

Provide one-on-one support to a mom who needs additional help.

## Volunteer as a BrightCourse Instructor

BrightCourse is an online tool that Aid for Women uses to help our moms learn about pregnancy and parenting. Topics include prenatal care, parenting, relationships, life skills, and more.

## Maternity Home Graduation

Help a mom transition from our maternity homes to her own apartment by providing basic household supplies and helping with the move.

## Volunteer as a Tutor

Many of our moms and children need additional help in pursuing their educational goals, and one-on-one tutoring can be extremely valuable.

## Become a Nursery Helper

Help our moms at the maternity homes when they are feeling overwhelmed with responsibilities and need extra support.

## GETTING STARTED

**Build a Parish Team** – Build a team including a parish leader and a support network.

**Complete an Inventory** – Complete an inventory of the parish's resources.

## EMELY AND ESTRELLA

When Emely found out she was pregnant, she felt lost, scared, and alone. Her sister told her about Aid for Women, and she immediately set up an appointment. There, she found the support she needed to choose life for her unborn baby. Because of Aid for Women, she was able to enjoy her pregnancy and gain skills along the way, learning about pregnancy and motherhood while earning material items through Aid for Women's online education program. She attended an Aid for Women support group as well which allowed her to meet other mothers and learn new skills.

*"I'm so grateful to have Aid for Women in my life. They have been so friendly and helpful. I now can focus on providing my daughter with everything she needs and always being there for her."*

## SARIESE

When I first found out I was pregnant, I was very, very scared. I just felt like I didn't have any help, didn't have anyone. I searched around, looking for help, and I found a place. Aid for Women shows me that there's a power greater than myself, and that I have a reason to live. I have a purpose. I didn't feel that way at first.

My Advocate was like my best friend. Heather's House is a great support system. Even when you're feeling down, they make sure that they got your back, no matter what. Before I came to Heather's House, I was homeless – going house to house, riding the train, worrying that my things would be taken. Being a young homeless woman, I felt like I was risking my life every day.

When I saw my room with a bed at Heather's House for the first time, that was a big deal for me. It has a rocking chair, a place to put my clothes... little things, and I really appreciate that. It's important to have positive support during such a stressful time. Being at Heather's House is so positive. I feel very empowered by being here because they give us choices. I like the fact that we can do things ourselves. I like to cook dinner. They ask us what we want to cook, and if it's not in the house, they will go out and get it, no matter what the weather is like. Being here makes me feel so happy.

To all the people that support Aid for Women and the women at Heather's House, thank you very much because you give us a second chance at life. Thank you for all your love and support because it's greatly appreciated.

## FELICE AND KAMARI

Felice came to Aid for Women's Flossmoor center. She was nervous about her pregnancy because she lacked insurance, prenatal care and support. Aid for Women provided her with referrals for prenatal care and insurance and offered parenting classes. Felice was excited to join the Earn While You Learn program and moms' support groups. She welcomed a beautiful baby boy named Kamari.

*"I drove past this place a few times because it was in my area. After finding out I was pregnant, I finally built up the courage to call and ask what type of services they offer. Needless to say, ever since our first phone call and initial sit-down, they have been nothing but phenomenal. I couldn't have asked for a better support system of women to assist me during my pregnancy. There was never a time when I didn't feel safe or comfortable talking to these ladies in person or over the phone. I have completely changed my habits to prepare for my son's arrival, all because of the instructional videos given to me from these women. I don't believe in coincidences. I truly believe God placed them in my path for a reason! I'm hoping to develop a lifelong relationship with them, even after my son is born."*

# GIVING OPPORTUNITIES

The services offered at Aid for Women require substantial financial and material resources. Please consider providing your support, at any level, so we may continue to help women choose life for their unborn babies and provide them with safe and nurturing homes.

Here is how your monetary gift can have a real impact on the lives of the mothers and babies whom we serve. We also ask for your prayers for all those who come to us for help, that they may witness the peace and strength of God's love and choose life for their unborn babies instead of abortion.
